

Start Local, Stay Vocal

Welcome to Justice Choir!

Justice Choir is a template to encourage more community singing for social and environmental justice. Designed around a powerful new collection of songs for the issues of our time, Justice Choir is now growing across the United States, with chapters launching coast to coast to sing for change, equity, love, and peace.

The Justice Choir Songbook includes 43 new and re-purposed songs selected from a national Call for Scores. Made possible by Westminster Presbyterian Church of Minneapolis and many generous songwriters, the Songbook was co-edited by Abbie Betinis, Ahmed Anzaldúa, and Tesfa Wondemagegnehu.

How to Copy & Share with Creative Commons

Yes, it's true! Our songwriters have very generously allowed you to copy & distribute any song from the Justice Choir Songbook for non-commercial use, free of charge, if you follow these three rules:

1) Include the Songwriter's Name.

Always give them credit when you share their music.

Remember to name them in your videos, on event programs, on lyric sheets, etc. Whenever possible, please also tag them on your social media posts.

***Even nicer:** Send the songwriter a little note when you perform their music (their contact info is at the bottom of every page). They will be so happy!*

2) The Music Must Remain Free.

You may not sell these songs; only give them away.

If you post your performances online, they must be free for anyone to access, with no paid ads on them.

***Even nicer:** Instead of forwarding or uploading our PDFs, share the link (it's near the bottom of each song page) so folks can download the music directly from us, and have the chance to tip our songwriters if they choose to do so.*

3) Keep the Copyright © and Creative Commons © Licenses on Sheet Music.

To easily meet this requirement, don't crop the song page. Copy & print it in full.

All copies need to include the Copyright holder's name(s), and the Creative Commons* Attribution-NonCommercial-NoDerivatives 4.0 International License. (see the full license: www.creativecommons.org/licenses/by-nc-nd/4.0/)

***Even nicer:** Include this page when you print the music, so the next person knows how to share responsibly too.*

* Creative Commons (CC) is a nonprofit organization devoted to expanding the range of creative works available for others to build upon and to share legally. They provide free, easy-to-use copyright licenses to make a simple and standardized way to give the public permission to share and use creative work on conditions of the creator's choice. More information: creativecommons.org

Remember: These terms are for non-commercial use only. For any commercial use (e.g. selling audio or video recordings), you must request permission from the songwriter. You can find their preferred contact info at the bottom of each song.
